Re: Todd Images

We feel very fortunate to have been introduced to Rob Todd, photographer, last year and our organization has greatly benefited from his creativity and professionalism throughout 2016.

As a non-profit organization, budgetary restraints often prohibit such valued services as professional photography so we were thrilled that Rob offered his special skills on a volunteer basis. He covered a few special events for us during the course of the year and we now have a priceless library of images that so very well depict what we do. It is incredibly gratifying after years of having to make do of photos we took ourselves!

In October last year, Rob covered our 40th Anniversary celebration at Oakville Town Hall and gave us some wonderful and highly creative images to remember our very special event.

His generous gift of time and exceptional skills has provided us with the tools we have long needed to reflect our services in a professional manner and caring way.

We can't thank him enough but will continue to try!

Sincerely,

Jacqui Gardner,
Executive Director
